

ALLIES BREAK THE LINE OF GERMANIS IN LORRAINE

AUSTRIANS BEAT RUSSIANS, BUT CZAR'S TROOPS CONTINUE ADVANCE IN EASTERN PRUSSIA

Russia Poland Invaded by Francis Joseph's Armies—German Forces Give Way Before Russian Cavalry—100 Guns Captured.

WASHINGTON, D. C., Aug. 26 (United Press).—Russia and Austria are engaged in an important battle in Russian Poland, a wireless message from Berlin informed the German Embassy here this afternoon. In an engagement between one Austrian army corps and two Russian corps, 8,000 prisoners were captured by the Austrians, three Russian colors were taken, 21 guns were seized and seven mitrailleuses captured. The latter are machine guns with twenty-five barrels.

The battle occurred south of Krasnik, Russian Poland. "The situation in East Prussia is not yet decided," the Berlin Foreign Office said in the wireless message.

LONDON, Aug. 26 (Central News).—Russia will put 3,000,000 men in Germany and 2,000,000 in Austria within ten or fifteen days, according to the Russian Gen. Spirovich, who is quoted to that effect in a despatch from Rome.

LONDON, Aug. 26 (Associated Press).—The Russian Embassy is in receipt of telegrams from the General Staff at St. Petersburg which announces fresh Russian victories against both Germany and Austria.

These messages declare that Russian troops now occupy the whole of the eastern and southern half of eastern Prussia.

According to a despatch from St. Petersburg to the Exchange Telegraph Company, German troops, retreating in the direction of Osterode, East Prussia, left behind them about 100 pieces of artillery.

A despatch from Paris to the Reuters Telegram Company says: "The losses of the Austrians in the battle of the Drina continue to grow, according to telegrams from Nish. The latest aver that out of 800,000 Austrians engaged, 15,000 were killed, 30,000 wounded and 15,000 made prisoner. Seventy-five guns were captured."

A despatch to the Exchange Telegraph Company from St. Petersburg says the Russian Chief of Staff announces that since Sunday the Russian invasion of Galicia and Prussia continued uninterrupted along a wide front. While the Russian right wing was invading Prussia and the left wing entering Galicia, the Russian centre, composed of the great bulk of the Russian army, is believed to be marching silently, but with terrible force on Posen.

SAY RUSSIANS ARE 25 MILES FROM DANZIG.
Posen, the capital of the German province of Posen, is only 140 miles from Berlin. It is only 25 miles from the Russian frontier.

The Times's St. Petersburg correspondent says that the Germans, who retreated by forced marches after their defeat by the Russians at Gumbinnen, are assembling a part of their forces at Koenigsberg. The German fortified position on the river Angerl was abandoned without fighting.

"North of Neidenburg, Sunday and Monday there was stubborn fighting, in which the Russians were again victorious, largely through their superb use of the bayonet. The enemy here had assembled the entire Twentieth Army Corps in a fortified position. The Russians had to negotiate pits and barbed wire. Hand grenades were used, the Russians finally carrying the position at the point of the bayonet. The Germans retreated toward Osterode, leaving behind many guns, machine guns, caissons and prisoners.

"Meanwhile the Vilna army is driving the First German Army Corps toward Danzig. The question now is whether the German forces can escape and how long the Russians will take to occupy the territory east of the River Vistula. There they will find strong German defenses. It is reported that the Russians on Monday reached Marienburg, only twenty-five miles from Danzig.

TWO VICTORIES PUTS CARDINALS IN FRONT

Giants Will Drop Back Into Third Place, Six Points Behind Leader.

The defeat of the Giants in the second game against the Cardinals will mean a complete change in the race for the pennant. The Cardinals, by winning two, go into first place with a two-point lead over Boston. The Giants, because of their double defeat, tumble from the lead to third place.

With the Cardinals winning two games the figures will show: St. Louis first, 64 games won, 58 lost, for an average of .547. Boston, second, 50 games won, 50 lost, .500 per cent. New York third, 53 games won, 50 lost, .514 per cent.

The Giants can retain the lead by breaking even with the Cardinals. This development would give New York a five-point lead over Boston.

Two Passengers Hurt in Crash.
Two passengers were injured late this afternoon when a motor truck of the Southern Sands Company of No. 524 Southern Boulevard, ran into a Union Life trolley car in Westchester avenue. Edward Bauser, a salesman of No. 106 West One Hundred and Thirty-first street, was taken to Lehighon hospital with a probable fracture of the skull, and Mrs. Anna Murray of No. 538 West One Hundred and Thirty-third street, was severely bruised and her treatment at the hospital was taken home.
